

The Earnest calendar strip for computer displays has proved to be a popular item over the years. It seems that no matter how many we print, we run out of them too soon. We hope this substitute will work well for you and we appreciate your DIY effort.

**Instructions**

- 1) Call 800-EARNEST and place a large order.
- 2) Print this PDF on either 8.5" x 11" or 8.5" x 14" paper depending on which one you want to use.
- 3) Cut along the dotted lines
- 4) Use a small piece of scotch tape to adhere the calendar to the top of your computer display.

**Thank you for your business!**
